

Quest DB konferenca s TOAD delavnicami

četrtek, 6. februar 2020

Ljubljana

Ales Zeman:

Ales Zeman has been working with Quest Software for 19 years. He is Head of the Sales Engineering & Professional Services Department in Europe, Middle East and Africa in the area of Information Management. He is responsible for solutions for application and database performance management. He has a master in computer science and has more than 28 years of IT experience.

Eero Matilla:

Eero Mattila is a Principal Systems Consultant for Systems and Information Management at Quest Software GmbH, based in Cologne, Germany. Eero has been working with relational databases since 1991, and since 2002 he has been focusing on performance management and special database solutions such as replication. Eero gives presentations on a regular basis at conferences such as the German Oracle User Group (DOAG), the Professional Association for SQL Server (PASS), Toad User Conference and Foglight User Forum in Germany etc. Prior to joining Quest in 2005, Eero Mattila worked as a database administrator and developer for the German Parliament and as a Systems Engineer at Oracle Germany.
